# CLASS HISTORY

by  
Joyce Wilson

It doesn't seem possible that thirteen years have passed since we first entered the halls of Wyoming Central School. Those years since 1949 have held many wonderful memories for each and every one of us.

We'll never forget the many grade teachers who lent us a helping hand through the first adventurous eight years. We are grateful for the patience and wisdom shown us by Mrs. Regan, Miss Kohler, Mrs. Wheeler, Mrs. Heron, Mrs. Winter, Mr. Parmelee, Miss Derrick, and Miss Cook--through our first seven years. In seventh grade with Mr. Schoenthal, we had our first experience with period classes. The first few weeks, I believe, every time the bells rang signifying the end of the classes, we rushed out into the hall to mingle with the passing high school students, as we had never done before, to show them we were "big stuff" too! At the end of eighth grade we were confronted with our first Regents examinations. At graduation, when receiving our diplomas, we decided they were an obstacle well worth surmounting.

In the fall of 1958, we, as Freshmen, consisted of thirty-three members, eager to see what high school was all about. We found it somewhat new, exciting, and more demanding, as well as fun. At our first class meeting, we elected Nancy Martin President, Martha Hudson Vice-President, Joyce Wilson Secretary, and Dorothy Carter Treasurer. Mrs. Muehr and Mr. Meir, who have served as faithfully throughout these last four years, became our advisors. Under their guidance we undertook several small projects. We sold popcorn at the Hallowe'en party, sold pencils and school pennants. Our girls showed the boys up by winning the Intramural basketball championship by defeating both the Sophomores and the Seniors. We had many athletes in our class, and we proved it by having three boys on the Soccer team, three on the J. V. Basketball team, six on the Baseball team, and four girls on the J. V. Cheerleading squad. Musically, we stood high also, with one attending All-State Sectional Chorus, two in the band, and one the orchestra. We left the ninth year looking forward to three even more wonderful years.

Our Sophomore year did not let us down, either. With twenty-seven members, and new officers, President Mike Pope, Vice-President Jim Richardson, Secretary Beverley Miller, and Treasurer Howard Ridall, and our same advisors, Mrs. Muehr and Mr. Meir--we were out to make our mark. This mark was partly reached in our biggest money making project, a chicken barbecue, which was very successful. We were asked by many to repeat this event in the following years. We sold W.C.S. sweatshirts and Stanley Home Products. Again we made a good showing in the sports and music departments--we had four on the Soccer team, five on the J. V. Basketball team, one on the Varsity, four on the Baseball team, two girls on the J. V. Cheerleading squad, and one on the Varsity. Again the girls won the Interclass playoffs. Four of us attended the All-State Music Festival, with three in the band and one in the orchestra.

Our Junior year arrived--and so did our coveted rings. I remember we made the Seniors pretty disgusted by the way we were continually comparing ours with theirs. We, with our same advisors, elected Jim Richardson President, Martha Hudson Vice-President, Mary Alice Robinson Secretary, and Mike Pope Treasurer. Our chicken barbecue was to be an annual event--and a very profitable one. That year we added a home delivery service. We continued selling sweatshirts, and also sold basketball schedule pens. We had a great time putting on the Junior-Senior Banquet at the Marcell Inn in Perry and much to the Seniors' delight, we didn't carry out our threat to serve them hot dogs and sauerkraut! We were very proud to have five members selected for the National Honor Society and eight for Wide Horizons regulars and alternates. Seven honor students, with Mrs. Langdon as our able advisor, organized a new Journalism Club and published a literary paper entitled, "The Eclipse." We had four attendants that year at All-State Sectionals, two in band and two in chorus. Again we had representatives in all the sports activities. Norwood Langdon was selected to attend Boys' State.

Our Senior year has been the very best of all. While looking forward to graduation, we also look backward on all the great times we have had together here in these halls. Early in the year we re-elected Jim Richardson President, and elected Jane Perry Vice-President, Mary Robinson Secretary, and Gerald Newland Treasurer. Another chicken barbecue was sponsored, pencils were sold, and we instituted and supported the magazine drive. The Senior Hallowe'en party was OUR project this year. After what seemed like hundreds of rehearsals, on April 12 and 13 we presented the play, "Father Knows Best," under the direction of Miss Callen. Everyone told us that it was a huge success, and the best part was that we had a wonderful time working together. Again, we have had many outstanding sportsmen in all the boys' activities and one girl in Varsity Cheerleading. Three students attended All-State Sectionals again this year, and John Wilson was selected for the State Band. Norwood Langdon was the guest of Assemblyman Harold Fleet in Albany. We are pleased to have a large number in the National Honor Society and in Wide Horizons. Seven Seniors won Regents College Scholarships and one a Nursing Scholarship. In addition, three Regents College Scholarship alternate positions were attained. We want to thank Mrs. Parga who aided us immensely in patience and experienced guidance to put out a fine yearbook. Shortly, we leave for our Senior Washington trip, and if it is only half as much fun as preceding Seniors have proclaimed it to be, we'll have one terrific time!

Now we await that great moment that crowns our thirteen years of hard work and memorable experiences, and also denotes the very beginning of a new and wonderful pathway before us--graduation. We look back with nostalgia but forward with steadfastness and anticipation. We owe so much to these past years in Wyoming Central, and we will do all in the future to reflect the training and wisdom that all here have endeavored to instill in us. We go forth always together with our Alma Mater!

# CLASS ADVISORS

The Senior Class of 1962 sincerely wishes to express its gratitude to its advisors, Mrs. Esther Mucher and Mr. Richard Meier. Without their untiring patience, cooperation, guidance, and enthusiasm, no class could not have attained its final goals. Their efforts will never be forgotten.

There are twenty-one members in the Junior Class this year. We lost two members--Ricky Darrow moved to Arizona and Nancy Ewell moved to LeRoy. Russell Baisley joined us from Buffalo.

This year we were very successful in putting on a fish fry, and selling candy at night events, including all basketball games. We are looking forward to the Junior-Senior Banquet this spring. This event is a highlight both for our class and for the Seniors. It is usually a summer formal dinner.

Now, we would like to extend our best wishes to all the Seniors!

Without her kind guidance and wise leadership, this publication would not be a reality.

## STUDENT COUNCIL

**SITTING:** Kathy Wiss, President; Ted Langdon, Vice-President; Roberta Wilson, Secretary; Nancy Martin, Treasurer. **STANDING:** Linda Seaman, Sharon Alexander, Phyllis Leeton, Howard Ridall, Tom Ridall, Michael Pope, Douglas Longhini, Robert Titus, Leslie Hankins.

President Katherine Wiss, a junior, guided the Student Council through all of its activities and deliberations.

The Council organized and supervised after-basketball-game dances. Members acted as guides during Open House, PTA and other group meetings. The Council was responsible for sponsoring the dinner in connection with the Regional Science Fair, a tremendous undertaking. The interclass track meet in the fall of the year was promoted by this organization.

The purpose of the Council is to further the cause for good citizenship and for good scholarship.

Education, character, scholarship, leadership and service are the five chief pillars upon which the National Honor Society is founded. Membership is based upon these guideposts.

The Wyoming Chapter of the National Honor Society of Secondary Schools was granted its charter in May of 1955.

Eight Seniors and one Junior were elected to membership this year.

## INITIATION AND BANQUET

Last year the Student Council sponsored the National Honor Society's formal, candlelight initiation and banquet. The speaker was a former teacher, Mrs. Mabel Robinson. Active participation in guided discussion and reasoning is a goal of the program.
